New York, Dec. 1.—After an irregular bisening, the stock market assumed a feeldedly strong tone, and under the lendership of Sugar the active list and roany of the specialites advanced stendily—the close, the final sales being in most stances at the highest polat of the 4y. The absence of any pressure to sell aduced the short interest to cover and the announcement made officially, that the Sugar trust shut down merely for a few days led to a sharp buying movement in the shares of the company. In many quarters it was believed the action of Pressdozt Havemeyer was a stock-job-bing, engineering scheme, for the purpose of shaking out weak holders, as well as to take a quarter of the company. days after which the sales of all property upon which the taxes and costs are not paid will commence. According to the records of the office about 75 per cent of the entire tax has been collected and it is estimated that the collections will be swelled to 90 per cent before the sales. This latter was the per cent turned over to the various funds last year by the collector and that official does not anticipate a heavier proportionate collection than in the past week or two and an offer of

heavier proportionate collection than in 1893.

In addition to the amounts received from Salt Lake county the territorial treasury was enriched by a payment of \$4,000 from Collector Willey, of Dayls county, and another of \$234.77 in cash and \$258.22 in warrants and court script from Collector Heybourne, of Iron county. Having a number of heavy payments still to meet Treasurer Whitehead will not advance the number of warrants which may be presented for payment, for some little time at least. He now has in the school fund the sum of \$140.000 and an apportionment will probably be made about the end of the present month. The first apportionment made last year carried with it the distribution of \$152.000.
